KS2 Hamlet Workshop

The Young Shakespeare Company are coming into school on 24th November to work with Y3-Y6 and perform Hamlet during the afternoon. This will be a great day and we're really excited, especially Mrs Vaughan! We will be unable to fetch children during the afternoon without prior arrangement so as not to disrupt the performance.

Awful Auntie

We are really looking forward to the theatre trip for children in Years 3-6 who purchased tickets. Letters have come out with important details.

Health and Safety Reminders

- ★ No dogs are allowed onto site, including if they are being carried.
- ★ Children must be supervised by parents before and after school. We were very worried to see on the CCTV that younger children were pushing over the netball posts after school whilst waiting for KS2 to come out! Children are currently able to use the play equipment before and after school if supervised by parents but this may have to be reviewed if unsafe behaviour continues.
