## Awesome Attendance Month

We are excited to be holding an attendance month from **Monday 3rd June - Friday 28th June!** As you know good attendance is really important to make sure that children get the most from their education, but we do understand that children are ill and can't always get 100% attendance for the whole year so this will give children who have been ill a chance to celebrate their good attendance! All children who have 100% attendance in this month will receive an award and there will be a prize for the class with the best attendance for the period.
