

## Jubilee Academy – Wider Curriculum Overview 2021/2022

EYFS	Me and My Community	Sparkle and Shine	Why Can't I have Chocolate for Breakfast	Are Eggs Alive	Big Wide World	Splash
	This project supports children with settling into the new rules and routines of school and encourages them to make new friends and feel confident in their class. It teaches children about being helpful, kind and thoughtful at home and at school. This project also teaches children how they are unique and special, the importance of friendship and how people in their family, school and local community are important and can help them.	This project teaches children about the celebrations that take place during the autumn and winter seasons and focus on the significance and symbolism of light at this time of year.	Why can't I have chocolate for breakfast? Which food types are healthy? Explore these questions and more in this project about food, mealtimes and nutrition.	Are eggs alive? What are buds? Explore these questions and more in this project about the things that happen in the world around us during spring.	This project teaches children about the global community to which they belong and explores how living things, communities and climates differ around the world.	This project teaches children about water, including floating and sinking, freezing and melting, and why it is important for living things to stay hydrated.
