## A message from the **PRINCIPAL**

Hello everyone.

What a great start to the year we have had! Our children have been fantastic as always and very engaged with their learning, taking part in additional trips and activities to further enrich their learning. We have more events planned for the next few weeks and into Summer Term, including upcoming trips to the Think Tank and Black Country Living Museum. We're also excited to be welcoming 'Mr Egypt' back into school to do a workshop for Year 4.

Year 5 and 6 children had a fantastic time during French week, whether this was on the residential trip or their activities in school. More information is on the following pages detailing their adventures.

Our children have continued their brilliant efforts to achieve Jubilee's 'SUCCEED' values and it is lovely to see so many of them proudly wearing their achievement badges.

We're looking forward to seeing you to share these achievements at our Parents Consultations - if you have not already booked an appointment please complete the form on Class dojo as soon as possible.

After Easter we will have some staffing changes, with some sad goodbyes and some warm welcomes as staff leave and join our Jubilee Team. I have included an update of staff for each class on page 5 of the newsletter to keep you informed..

# France Residential Trip

Children from Years 5 & 6 had an amazing time on their France residential trip. Despite the early start they were very excited to depart and arrive at the Chateau!

On their first evening children took part in a French themed treasure hunt, getting a good nights sleep after their day of travelling. The next day they visited Paris and the Eiffel Tower and went on a River Cruise to take in all the sights.

On Wednesday they visited a local French market before returning to the Chateau for some fun activities including archery and buggy building before making crepes for an afternoon snack!

Thursday was a visit to Disneyland Paris, with a tour of Walt Disney Studios first on the to see list! Children saw the special 30th anniversary parade and had a fantastic day before their return journey arriving back at school on Friday.

# School Celebrations!

## French Week Year 5 & 6

Our Year 5 & 6 children who stayed at school took part in French Week with lots of great activities! They had brunch at Miss Westwood's Café, sampling French bread with brie, onion soup, croissants and pain au chocolate before completing a maths lesson in French. Children completed their own travel guide to Paris before teaching Mrs Drohan some French phrases during Forest Schools before enjoying hot chocolate and smores. .

Children had a great time swimming and then created some fabulous artwork in the style of Henri Matisse, before their fantastic finish of archery and an inflatable assault course.

## Year 4 Cadbury World Trip

Year 4 had a great time at Cadbury World learning about the history of chocolate and ancient Aztec and Mayan society and cultures. Their favourite part of the day was creating their chocolate tasting pots and then sampling their choice!

# World Book Day 2023

We had a fantastic time taking part in World Book day on Thursday 2nd March!

We saw some brilliant costumes, with a whole school parade in the hall to pick a winner from each class. Each of our winners received a prize book and every child had their book taken for a free book—please make sure to redeem yours by 26th March.

Well done to Ella in Reception, Luke in Y1, Piper in Y2, Shaleace in Y3, Belle in Y4, Mia in Y5 and Kai in Y6.

# Our School Staff

This term we have welcomed Miss Sparkes, Miss Tipton, Mr Phillips & Miss France to our Jubilee team!

After Easter, we will have some changes to staffing and we will sadly be saying goodbye and good luck to Mrs Parsons from Year 1 at Easter when she will be leaving Jubilee.

Mrs Owen will be moving into Year 1 as Class Teacher and we will be welcoming Miss Gill who will join us as Year 4 Class Teacher.

We will also be welcoming Miss Jones who will be joining us in Reception as our Class Teacher after Easter.

We will be preparing the children for these changes and have transition days planned, so that they can meet their new teachers before the Easter holiday.

# Medical Tracker

As you know we try very hard to keep parents regularly informed about first aid incidents and medication administration at school. Sending paper notifications home can be rather 'hit and miss' with notifications often going astray along the way.

We are also increasingly aware of the substantial cost, time and environmental impact associated with the amount of paper and photocopying involved with this.

To help make improvements in these areas we have decided to use a service called Medical Tracker. Medical Tracker not only allows us to inform parents/ carers of first aid incidents and medication administration by email but it also allows us to analyse the data we record.

Medical Tracker will be beneficial to you because:

- We can record and track first aid incidents that involve your child
- We can record and track medication administration that involves your child
- You can be notified immediately after a first aid incident by email
- You can be notified immediately after medication has been administered by email

Please be assured that Medical Tracker is registered with the Data Protection Registrar and guarantees that all information you provide will be kept private and will not be passed on to any other organisation.

Important – When we start using Medical Tracker, email messages will be sent from donotreply@medicaltracker.co.uk. Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.
