A message from the

PRINCIPAL

Dear Parents,

Thank you for your ongoing support over the Spring Term, it has been lovely to see so many of you in school at events and coming to our Reading Café. We look forward to seeing you in school during Summer Term!

Just a reminder that starting the day with breakfast is really important for children - we offer a free breakfast club every day and if there's a day when your child has missed breakfast they can let a member of staff know at morning check in and we will make them some breakfast.

A nutritious lunch is just as important so as per our Healthy Lunchbox policy please make sure your child's lunchbox includes fruit and vegetables every day and doesn't include fizzy/sugary drinks, sweets or fried foods like nuggets, burgers or pizzas. Let's help build healthy children for the future!

We are focusing on communication about attendance to ensure that we

are raising awareness of the importance of good attendance. Children need to have excellent attendance and punctuality to enable them to fully access learning - thank you for your support with this! If you have any questions regarding attendance please contact Mrs Allen via dojo.

As per government law we cannot authorise holidays during term time and the Local Authority may fine - this is not a school policy and is the law. If you are going on holiday please continue to notify the school office so we know where your child is as we have to follow up if children are not in school.

We hope that you have enjoyed the mid year report to see your child's progress in learning and I know that the children have been proud to show you what they had achieved. I would like to take this opportunity to thank all parents, carers and staff for their ongoing support!

Healthy Lunchtimes

At Jubilee Academy Mossley, we consider ourselves to be a healthy school that promotes healthy living, healthy eating and the promotion of positive mental health. We aim to promote consistency between packed lunches and food provided by the schools, which must adhere to national school food standards. Our packed lunch policy is based on Government advice around the lunches that schools should provide and what is acceptable lunches for children to bring from home to ensure we promote a healthy lifestyle. Please see our website for further details.

Packed lunches should include:

- ◆ At least 1 portion of fruit & 1 portion of veg every day
- ◆ Meat, fish, eggs, or a non-dairy protein every day
- ◆ Oily fish, such as salmon, at least once every three weeks
- ◆ A starchy food such as bread, pasta, rice, noodles, potatoes or cereal every day
- ◆ A dairy food such as milk, cheese, yoghurt, fromage frais or custard every day
- ◆ A drink of water, fruit juice (no added sugar), child friendly smoothie (maximum portion 150 mls), semi-skimmed, 1% fat or skimmed milk, yoghurt or another milk drink
- ◆ Meat products such as sausage rolls, individual pies, corned meat and sausages once a week
- ◆ A snack size cake or biscuit, but encourage your child to eat these as part of the meal

Break time snack:

This Month's Focus - Sleep

Good sleep is important to ensure that all children are here everyday, on time and ready to learn!

Not only does it help them to concentrate better while at school, it also helps children to feel refreshed in the morning to get to school on time. The below poster shows what you can do to create a good sleep routine.

Sleep Well

Sleep is important for our body and our mind. It provides time for our body to restore itself, build our immunity and rest. It also helps our brain to process all we have learnt each day. This helps us to feel refreshed and alert when we wake up.

Getting the right amount of good quality sleep helps us to:

- have more energy to do things we enjoy;
- concentrate better;
- enjoy our relationships with those around us;
- process what we have learnt;
- feel refreshed, healthy and well.

We all feel better after a good night's sleep but how can we help ourselves to sleep well?

Top Tips:

Enjoy a regular bedtime and wake-up time routine.
Try to go to bed and wake up at a similar time most nights/mornings.

Try to create a calming bedtime routine.
It can be helpful to enjoy relaxing activities before bedtime to help your body to feel sleepy. This might include a warm bath, reading a book or listening to relaxing music.

Get active in the daytime.
Fresh air and activity in the daytime can help our bodies to feel tired and in need of rest afterwards. Exposure to daylight also helps us to feel energised in the daytime and sleepy at night time.

Create an environment that will promote sleep.
It can help to make sure bedrooms are quiet, darkened rooms that are a cool temperature.

As well as providing a nutritious morning meal, the Club aims to encourage children to enjoy themselves and engage with school staff and the education system.

Please contact Miss Baggott or Miss Mason for support with booking for Breakfast Club.
