A message from the **PRINCIPAL**

Hello everyone,

[Help with the cost of living | Walsall Council](#)

What a wonderful atmosphere we have at the moment as we head into the festive season! The upcoming weeks are full of excitement with our fantastic Christmas events and trips for both pupils and parents to look forward to, with our Christmas Crafts Workshops and carol services at St Thomas' Church.

To ensure we have a consistent learning environment during the festive period a gentle reminder to please ensure children have correct uniform and PE kit, dinners are booked in advance on MCAS and children attend on time every day. This helps to keep a routine and make sure everyone can enjoy the activities and events at Jubilee.

We know that Christmas can be a difficult time with rising costs of living, there is some useful information from Walsall Council and direct links to what they offer here:

As always we will help however we can - if you ever feel like you need support and don't know where to turn, we will be happy to listen and signpost you in the right direction.

We hope you all have a great Christmas break and enjoy spending time with loved ones at this magical time of the year. We're looking forward to seeing you at our Christmas events and hearing about your exciting Christmas adventures in the New Year!

Thank you for your ongoing support and partnership - we look forward to another fantastic year of working together to and watching the children continue to build on their success!

Safeguarding

This Month's Focus - Seasonal staying safe!

5 top tips on how to
BE BRIGHT & BE SEEN

- 1** Brightly coloured or fluorescent clothing shows up well in daylight and at dusk when you're heading to and from school.
- 2** If you're out and about when it's dark, wear reflective gear to make sure you can be seen in car headlights. Reflective vests, sashes or wristbands work well. Remember, fluorescent clothing doesn't work after dark!
- 3** Don't forget to accessorise! Even small items such as clip-on reflectors, armbands and stickers on your outfit or school bag are a great way to improve your visibility.
- 4** If you like to cycle, remember that it's the law to have clean and working lights at night (white at the front, red at the back), as well as a rear reflector. It's good to fit spoke reflectors too.
- 5** Of course, 'Being Bright' isn't the only way to stay safer. If you're out at night, choose routes and crossing places that are well lit and remember to always use the Green Cross Code.

Wear Something Bright! 😊

Make sure that drivers can **ALWAYS** see you when you walk or cycle...

Wear something LIGHT or BRIGHT!

As it is now getting dark early please make sure children can be easily seen in the low light and when the weather is bad. Reflective strips, zip pulls, high viz and ensuring reflectors are on bikes and scooters are all great ideas to help.
