Our Trust

*These four critical questions make it clear who we are and what we do.
We ask ourselves these questions to guide our work and our improvement.*

Why do we exist?

To **transform life chances** by achieving the highest possible standards and preparing all our students to lead successful lives.

How do we behave?

- **Hard work**
We are determined to see things through to the end and are resilient when faced with challenges.
- **Integrity**
We do the right thing because it is the right thing to do.
- **Teamwork**
We work together to help everyone succeed.

What do we do?

- We educate, safeguard and champion all our learners.
- We set high standards for ourselves and our learners.
- We build the powerful knowledge and cultural capital which stimulate social mobility and lifelong learning.

How will we succeed?

1. Aligned autonomy
2. Keeping it simple
3. Talent development

1. Legal Framework and Guiding Principles

1.1 Academy Transformation Trust is a multi-academy trust consisting of academies in the East and West Midlands and in the East of England. Our Trustees are the admissions authority for all our academies, and they apply all aspects of the regulations and procedures detailed in these admission arrangements fairly and equally to all those who wish to attend one of our academies.

1.2 These admission arrangements have due regard to the following legislation and any regulations thereunder:

- The *School Admissions Code* (2021)
- The *School Admission Appeals Code* (2022)
- The *Equality Act* (2010)
- The *Human Rights Act* (1998)
- The *School Standards Framework Act* (1998)

Further information on the regulations related to academy admissions can be found [here](#).

1.3 All children with an Education, Health and Care Plan (EHCP) that specifies the academy as the placement school will be automatically admitted. Information on the academy's local SEN offer can be found on the academy's website.

1.4 Where fewer applications are received than the number of places available for a relevant age group (i.e., the normal age that pupils are admitted to the academy), all applicants will be offered a place.

1.5 Where there are more applications than places for a relevant age group, the oversubscription criteria detailed at 5.1 will be used to determine which children are offered a place.

1.6 The Local Governing Body (LGB) for the academy has responsibility, on behalf of The Trust Board, for monitoring the application of these admission arrangements to ensure fairness and consistency across our Trust.

2. How to Apply for a Place

- 2.1 If you are applying for a place during the **normal admissions round**, you should use the Common Application Form (CAF) provided by the Local Authority.
- 2.2 The **normal admissions** round covers applications for admission in a relevant age group (Reception) which are made in time for the Local Authority to offer a school place on national offer day. Please see [Section 3](#) for details regarding in-year admissions and [Section 11](#) for how we deal with other circumstances.
- 2.3 If your child has an Education, Health and Care Plan (EHCP) you must contact the SEN Team at your home Local Authority (where you live, which may be different to the authority in which the academy is situated). If the school is oversubscribed, children will be admitted in accordance with the oversubscription criteria in the order listed below, once all children with an EHCP, naming the academy are admitted.
- 2.4 Please check the application process for the Local Authority by visiting their [website](#). Please ensure that you submit your application either in writing or online, but not by both methods. For the purposes of these admission arrangements, this type of application process will be referred to as CAF submission.
- The deadline for applications to be allocated on national offer day to take up a place in September 2027 is 15 January 2027 for admissions into Reception.
- 2.5 Applications received after the deadline will be treated as late applications and considered in accordance with the Local Authority's co-ordinated scheme. Details of this will also be available on the Local Authority's website.
- 2.6 Applications submitted later than the first day of the academic year, if that is not 1 September, must be submitted as an in-year admission (see [Section 3](#)).
- 2.7 For admission into any year group after the deadline, see [Section 3](#) below.

3. In-Year Admissions

- 3.1 **In-year admissions** occur when an application for admission is made outside the normal admissions round. All in-year admissions are conducted by the academy.
- 3.2 Initial applications for in-year admissions should be made directly to the academy. Applications will be considered by a panel of 3 members, established by the governing body. *For children with an EHCP the in-year admission process will not apply. Parents should contact their home Local Authority's Special Educational Needs TEAM. The child will be offered a place if the LA's SEN TEAM names the school in the EHCP.*

- 3.3 The details of the in-year application process are available in the In-Year Admissions Application Form available at [Appendix 2](#), or by contacting the academy directly at Jubilee Academy Mossley, Tintern Crescent, Bloxwich, Walsall, West Midlands WS3 2SQ.
- 3.4 Applications that have been made directly to the academy for year groups other than the entry year will be put to the academy's admissions panel to determine if places are available, or whether admissions would cause prejudice to the provision of an efficient education. Applications for the entry year (Reception) will be dependent on PAN.
- 3.5 The academy admissions panel will issue a decision on an individual admission within fifteen school days following receipt of an application.

4. How Many Pupils Will Be Admitted?

- 4.1 The Trust has set the number of pupils who will be admitted to the entry year (Reception) during the normal admissions round. This number is the Published Admissions Number (PAN).
- 4.2 If the number of applications received for the entry year exceeds the PAN, the oversubscription criteria will be used to determine which pupils are allocated a place.

The PAN for Reception (entry year) is 15.

5. Oversubscription Criteria

- 5.1 If there are more applications for places than there are places available, we will give preference to children according to the following criteria, in this order of priority:
- i. **Looked after children and all previously looked after children**, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

Per the School admissions Code (clause 1.7) a looked after child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society. This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. See Section 14A of the Children Act 1989 which defines a 'special

guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

- ii. **Children whose siblings live at the same address**, currently attend the academy and who will still be attending the academy at the point of admission. For the purposes of these admission arrangements a sibling is classed as children living permanently at the same address as a child already attending the academy and either have one or both parents in common, are related by a parent's marriage or civil relationship, are adopted or fostered by a common parent, or are related to children who live at the same address whose parents live as partners. This must be the main family home and the child's normal place of residence – not a temporary or short term agreement. If children of multiple births (twins and triplets etc) require admission in the same year group and there is only a single place left within the PAN, the school will offer places above the PAN, as permitted by the Infant class size rules.
- iii. **Children of permanent teaching and support staff** at the academy (full time and part time on permanent or consecutive annual fixed term contracts) who have been employed at the academy for 2 years or more at the time of application, or a member of staff who is recruited to fill a vacant post for which there is a demonstrable skill shortage at the same academy. The staff member must spend more than 50% of their normal working week during term time at the academy. Staff does not include people engaged on a contract for services.
For the purposes of this criterion "children include a son or daughter who is biological, step, adopted, fostered, or those under special guardianship, and they must live at the same address as the employed parent. This also includes children of cohabiting partners.
- iv. **Other children** by distance from the academy, with priority for admission given to children who live nearest to the academy as measured by a straight-line distance between the child's property address point and the academy's property address point.

6. Application of Oversubscription Criteria

- 6.1 The address given on the application form will be used to assess whether another child attending the academy is living at the same address. The child's address will be compared to the addresses held in the academy's records.
- 6.2 The address given on the application form will be used to assess the straight-line distance between the child's property address point and the academy's property address point.
- 6.3 If, following the application of the oversubscription criteria, two or more applicants are judged to have equal priority for the final place at an academy, random allocation will be used to determine who receives the place. Where random allocation is used, the names of the applicants will be entered into a hat and a name will be selected from the hat by someone independent of the academy.

- 6.4 An exception to 6.3 is where the applicants judged to be of equal priority live at the same address. In this case, the academy will admit them all.
- 6.5 Where a child lives with parents that have shared responsibility for the child, the address used is the home at which the child mostly wakes up on school days. Where responsibility is shared equally, parents should submit full details (including any documentary evidence) at the time of application.
- 6.6 When considering applications from children of UK service and Crown Servants personnel we will allocate a place in advance of the family arriving in the area (as long as a place is available), provided the application is accompanied by an official letter that declares a relocation date. We will use the address at which the child will live when applying our oversubscription criteria as long as some evidence of the parent's intended address is provided. We will use a unit or Quartering address as the child's home address when considering the application against our oversubscription criteria, where a parent requests this.
- For information regarding children of UK service and Crown Servants personnel - please see [Appendix 3](#)

7. When Do I Find Out Whether My Child Has Been Offered a Place?

- 7.1 If you have applied for Reception using the CAF, and your application was submitted by the deadline, you will receive notification from the Local Authority advising you of the school your child has been allocated. Notifications will be issued on 16 April 2027.
- 7.2 For late applications made using the CAF, you will receive a notification from the Local Authority advising you of the school your child has been allocated on the date specified by the Local Authority's policy on late applications.
- 7.3 Once a place has been allocated at the academy, the academy's Principal will contact you to provide further details of the induction process.

8. Waiting Lists

- 8.1 The academy will maintain a waiting list for each year group. Children are only added to the waiting list following an unsuccessful formal [application](#) to join the academy.
- 8.2 The waiting list for each year group is cleared on 31 July in the academic year of admission and parents wishing to apply for future years would need to resubmit an application (see [Section 3, In-Year Admissions](#)).

- 8.3 Children are inserted into the waiting list in order of the oversubscription criteria detailed at [5.1](#). Each new application received will require the waiting list to be re-ranked in accordance with our over subscription criteria. Waiting lists are not prioritised by the date of applications or the date on which a name was placed on the list.
- 8.4 All Local Authorities must have a Fair Access Protocol, which the academy is required to be part of. This is to ensure that access to education is secured quickly for children who have no school place. Children who are dealt with under the protocol are likely to be the most vulnerable or present challenging behaviour and who cannot reasonably be managed through the normal admission process. Children admitted through the protocol may be placed in a year group which is full and will take precedence over other children on the waiting list. It is the Local Authority's decision to determine which children are dealt with by the protocol and the academy is obliged, as are other schools within the district, to admit a proportion of these children.
- 8.5 Eligibility for the Fair Access Protocol does not limit your right to make an in-year application for your child. Applications will be processed in accordance with our usual in-year admission procedures and children will not be refused a place on the basis that they may be eligible to be placed via the Fair Access Protocol. You will continue to have the right of appeal for any place your child has been refused, even if your child has been offered a school place via the Fair Access Protocol.

9 Appeals Against Admissions Decisions

- 9.1 If you wish to appeal against our decision not to admit your child(ren) you should complete the form at [Appendix 1](#) and submit it to the address specified.
- 9.2 For applications made during the normal admissions round, the deadline for submitting an appeal is **20 school days** after the National Offer Days, which in 2027 is 16 April 2027 for applications to join Reception.
- 9.3 Appeals will be heard within 40 days of the deadline for submitting appeals. Any late applications will be heard within this timeframe if possible, or else within 30 days of the appeal being lodged.
- 9.4 Once you have submitted your appeal form, we will acknowledge receipt of the form within five school days. We will then forward the appeal form to our admissions consultant who will organise for an appeal hearing to be heard by an Independent Appeals Panel and conducted in accordance with the School Admission Appeals Code (2022). There may be occasions when this is not possible, and in this case the Local Authority will be contacted to arrange an appeal.
- 9.5 The appeals hearing will take place prior to the end of the academic year for applications submitted during the normal admissions round. For in-year admissions, the hearing will take place within thirty school days of our receipt of the appeal.
- 9.6 You will receive at least ten school days' notice of the appeals hearing date and additional information will be provided at this time.
- 9.7 If you miss the deadline for lodging an appeal, we will try, where possible, to hear your appeal within the same timeframe as if it had been on time. However, if this is not possible, it will be heard at a later date.

- 9.8 Parents do not have the right to a second appeal in respect of the same year group, unless in exceptional circumstances, the school has accepted a second application from the parents because of a significant and material change in the circumstances of the parents, child or school but were still refused admission.

10 Deferred, part-time and delayed entry

- 10.1 By law parents must ensure their children are receiving suitable full-time education at the beginning of the term after their fifth birthday, which is when the child reaches compulsory school age. The academy offers places for children to be admitted to Reception class in the September at the start of the academic year in which they reach five years of age.
- 10.2 Parents may defer their child's admission until later in the school year, but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year of which the admission was made.
- 10.3 A parent has the right for their child to be admitted on a part-time basis during the reception year but not beyond the point they reach compulsory school age.
- 10.4 **Applications for Admission Outside a Child's Normal Age Group** - It is expected that children will normally be educated within their chronological year group. However, parents or carers can make a request to the academy in writing for a place outside their normal age group. This request should be in writing to the Principal stating why your child should be admitted to another year group and stating which year group.
- 10.5 It might be helpful to include, where relevant, any supporting evidence such as information about your child's academic, social and emotional development, where relevant, their medical history and any views of medical professionals, and whether they have been educated outside their normal age group previously and whether they may have naturally fallen into a lower age group if it were not for being born prematurely.
- 10.6 Decisions will be made as part of the main admissions round, unless the parental request is made too late for this to be possible, in which case a decision will be made within 30 school days of the application and supporting evidence being received.
- 10.7 Decisions will be based on the circumstances of each case and in the best interests of your child, in line with the School Admissions Code. This will take into account the views of the Principal and yourselves and any information provided by you. We will write to you with the outcome including the reasons for the decision. There is no right of appeal against a refusal to offer a place in a preferred age group. The right of appeal only applies against a refusal of a place at the school.

Appendix 1: Admissions Appeals Form

To be posted to: Admissions Appeals, Academy Transformation Trust, Unit 4, Emmanuel Court, Reddicroft, Sutton Coldfield, B73 6AZ, **or e-mailed** to appeals@academytransformation.co.uk.

Admission Appeals

On receiving an admission appeal ATT will commission an independent panel to hear the appeal, who are all independent of the academy and the Trust. If this is not possible, the Local Authority will be contacted to arrange an appeal.

Appendix 3

Children of UK service personnel and crown servants

For families of service personnel with a confirmed posting, or crown servants returning from overseas, ATT as the admission authority will:

1. Allocate a place in advance of the family arriving in the area (as long as one is available), provided the application is accompanied by an official letter that declares a relocation date. As the admission authority ATT will not refuse to process an application and must not refuse a place solely because the family do not yet have an intended address, or do not yet live in the area.
2. Use the address at which the child will live when applying their oversubscription criteria, as long as the parents provide some evidence of their intended address. Admission authorities must use a Unit or Quarters address as the child's home address when considering the application against their oversubscription criteria, where a parent requests this.
3. Not reserve blocks of places for these children
4. Ensure that arrangements in their area support the Government's commitment to removing disadvantage for service children. Arrangements must be appropriate for the area and be described in the Local Authority's composite prospectus.
